

Improving the Experience of Classroom Learning

We are pleased to inform that JK Lakshmi Cement Ltd. had taken initiatives under JK Lakshmi Vidya CSR Project for improving the quality of experience of the children in the Government Schools. The Company provided School Bag Kits to 4200 children (studying in standard I to X) of influencers registered with the Company in Eastern U.P. and Rajasthan. The School Bag Kit included school bag, notebooks, water bottle, lunch box and other stationery items.

These programs were attended by officers of the Company, parents of the children and other stakeholders.

The Company is committed to improve the experience of classroom learning under its JK Lakshmi Vidya Project. This project is directly benefitting more than 1.5 Lakh children around its plants & business operations.
