

Invest to Save Lives

JK Lakshmi Cement Ltd., under its flagship health project JK Lakshmi Aarogya is implementing various project activities to eradicate TB in the project intervention areas of Plants located in Gujarat.

The Company under its CSR provides WHO recommended nutritional food kits in collaboration with Government Hospitals to Multiple Drug Resistant TB patients belonging to below poverty line category for their recovery by strengthening their immunity system through nutritious food intake. Every month the food kits are distributed at doorsteps of patient with doctor & JKLC staff member.

HIV & TB check-up camp was also organised in collaboration with Civil Hospital Gandhinagar, to provide awareness regarding TB.

JKLC Kalol Plant received Appreciation Certificate from Gujarat state consultation for its CSR Health Project for distribution of Staple Food Kits to MDR TB patients.

“JK Lakshmi Cement Ltd.- Kalol and Surat Units are supporting Government initiatives for eliminating TB in Gandhinagar & Surat district.”
