

CONSTRUCTING THE FUTURE

Future is not something that is bestowed on us,
but it is a dream that we fructify.

Future is not a place where we are going to be...
Future is what we construct it to be!

TODAY'S HARD WORK WILL REFLECT TOMORROW

At JK Lakshmi Cement, we believe in putting immense efforts in present moments so to make every next moment gratifying. This year we redefined some of our fundamentals with a fresh perspective. We take pride in being the imperative part of every erected column, set cornerstone and laid foundation.

It thus becomes our responsibility to be strong enough to deliver the finest quality offerings to the customers by fine tuning the systems & processes that are self-sufficient to construct their own future.

ACCELERATING BUSINESS COMPETENCIES

Constructing the future is complex. Hence, this year we prepared ourselves with operative strategies leading towards positive business outcomes. Tougher got the external environment, the more passionate our response became. Our passion towards continuous improvement became our driving force as we had proactively enhanced capacities and invested in creating cutting edge plant and grinding units. We focused on spreading our geographical reach by successful expansion in eastern markets and simultaneously tightening the grip in our existing markets.

JK Lakshmi Cement has always looked ahead at innovative trends and indicators. We reached out to our customers with traditional face to face approach and also leveraged digitisation for reaching out to new customers. This year, we re-visited our plans and processes and re-defined success parameters based on them. Increased engagement of sales team through various marketing initiatives effectively supported by operational efficiency and innovative manufacturing practices has made us future ready.

With all this and its pursuit of constant value creation, JK Lakshmi Cement is all set to construct the future.

CHAIRMAN & MANAGING DIRECTOR'S MESSAGE

Bharat Hari Singhania
Chairman & Managing Director

By the time you will be reading this message to the stakeholders of JK Lakshmi Cement, the monsoon would have sufficiently progressed all over the country. Much of the economy as well of the industry's hopes are pinned on a good, above normal monsoon, after two successive years of drought, which has seen large parts of the country battling severe water scarcity, adversely impacting construction and agriculture both. A good monsoon will provide the necessary trigger for the nation and economy to take off on the path of sustained growth.

At more than 7% rate of annual GDP growth, India is already amongst the fastest growing large (more than a trillion \$) economy in the world. Inflation rates are under control and so are the consumer as well as wholesale prices. Government priority projects such as Housing for All, Smart Cities, Inter-linking of Rivers, AMRUT, Swachh Bharat, development of inland water ways for transportation, highway & port development, etc. are steps in right direction.

As of now your company is well on its way to complete all major growth related capital investments, as planned, by end of FY 2017. Integrated cement plant at Durg started commercial production in FY 2016 and has reached almost full capacity utilisation in less than a year. The 1.35 Million Tonnes PA grinding unit at Surat, Gujarat has just been commissioned towards the end of FY 2016 and is in the process of stabilisation. Another major capital expenditure at our subsidiary, Udaipur Cement Works Ltd. at Udaipur is well progressing and shall be operational in this year. With the completion of these major projects and with some small investments to enhance productivity in other locations, our present growth journey involving a total capital investment of almost Rs. 3000 Crores shall be completed. It shall take the combined cement capacity at all locations to almost above 13 Million Tons PA. It is going to be a new milestone for all of us and I congratulate and thank all my colleagues for bringing your company in this elite league.

In last few years the growth in demand has been subdued and the pace of new capacity additions has also slowed down. Yet at the aggregate level the industry capacities are still 25% – 30% more than the demand as of now. In the short run, such excess capacities have created pressure on prices and have eroded the margins across the industry including that of your company. At the same time it has also challenged the industry to consolidate, cut costs, improve efficiencies, be more productive, innovate, and learn to get going against all odds. Your company has already been doing well on all of these fronts; even though the financial results of FY-16 do not reflect its true potential due to subdued market conditions, which have prevailed in most parts of the markets in which we operate. Additionally the company has to bear the increased financial costs associated with a new Greenfield capacity and the pangs of stabilisation for a new plant.

Due to conditions as mentioned above, the year has seen a number of consolidations and mergers taking place in the industry. I feel, consolidation is good for such highly fragmented industry and we will see more of this in coming years. Your company has strategically chosen path of organic growth and I am sure this will stand us in good stead in times to come.

It is now time for us to consolidate and plug the gaps, if there are any, in our strategies; which are largely centered around further improving operational efficiencies and creating more value for our customers through innovation, and embracing latest technologies. Time has come, now to reap the benefits of the seeds of growth that your company has painstakingly sown in last few years and extract full benefits to optimize maximum returns for our stakeholders and prepare ourselves for the next phase of quantum growth.

Returning back from where I began my message, a good monsoon is expected to revive rural demand for housing as well as demand in urban centers and create more jobs. The Indian economy which is already growing at 7-8% PA could reach even higher growth rate and sustain the momentum for next few years. As India rises and is being recognised globally; your company too is on the path of marching ahead to be amongst the best in the industry. With this leap of faith in our future, I thank all my stakeholders for their continued support.

VICE CHAIRMAN & MANAGING DIRECTOR'S MESSAGE

Vinita Singhania
Vice Chairman & Managing Director

The year gone-by could very well be counted as one amongst the most challenging years the industry has faced in nearly one decade, especially so in the company's operating space.

For the major part of the year, the industry witnessed either stagnant or at best sluggish demand growth. It was only in the fourth quarter when the demand began to look up. The adverse supply demand situation had its impact on the cement prices and consequently on the profitability.

Your company which has shown its resilience and ability to rise to the occasion in the past, took these adverse situation as an opportunity to further enhance its overall capabilities and after three difficult consecutive quarters, it bounced back by the fourth.

Team JKLC worked relentlessly in the areas of cost reduction, rapid optimization of the new capacities and bringing in new products to shore up its brand positioning further. As a result of these measures, company could achieve an impressive growth of 23% in its volumes and could achieve almost 100% capacity utilisation of the Phase I of its Greenfield project at Durg in fourth quarter of the very first complete year of the operation. It is a matter of satisfaction that company has been able to reach a decent market share in its home markets in a short span of time based on the quality of its products, service levels and innovative marketing techniques.

Company's efforts were not just confined only to the newer markets which it entered last year consequent to commissioning of its Greenfield capacity in Chhattisgarh, it made further progress even in its existing markets through bringing in newer products and newer initiatives of consumer connect. In these markets too, company could curtail its logistic costs and better its market share in the profitable segments.

Be it the success in the operational spheres or in its branding efforts or in adoption of latest IT tools, I ascribe these to the commitment and dedicated involvement of people. I am a strong believer in people, their capabilities, and their motivation to accomplish even seemingly very difficult goals. The company therefore continues to lay strong emphasis on the development of its human resource, irrespective of the situation on the ground. Your company also continues to equally lay considerable focus on the development and upliftment of the eco system where we operate. Its social responsibility initiatives have yielded significant benefits to the society nearby and company continues to tread the path.

I continue to be greatly optimistic that the growth oriented programs & policies of the government in general and more specifically in the areas of infrastructure, housing, agriculture, water supply & sanitation, urban development etc. would all lead to quantum growth in cement demand. The industry has sufficient capacity to meet the surge in the demand arising out of the increasing momentum in these activities. Company's expansions too have been timed to meet the possible burgeoning of demand. We, in fact, would not be shying away from creating further capacities in a short span of time if the needs of the nation so demands.

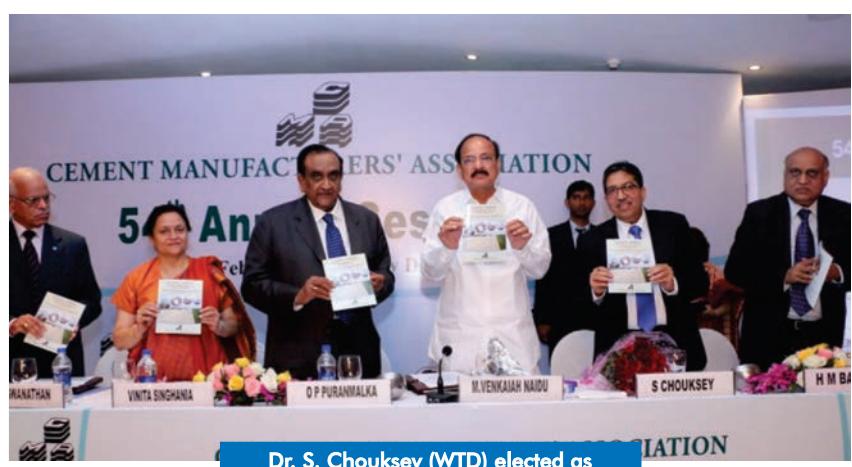

I thank all our stakeholders and especially our team members, our customers, our vendors, our distribution channel partners, etc. – all our people for their continued faith in us.

FUTURE READINESS BY EXCEEDING EXPECTATIONS

The approach this year was focused towards the completion and consolidation of all our new and existing projects. The frantic pace and enhanced operational efficiency is helping us to maintain our competitive positioning and to meet the emerging demand of cement for building the nation.

JK Lakshmi Cement takes pride in announcing the completion of its yet another project - a 1.35 Million MT grinding unit at Surat. The project was developed keeping in mind the Lowest Carbon Footprints during the planning stage. The new plant has been installed with multi-compartment silos to cater customised cement requirements of the customers.

To minimise the carbon footprint, various bold initiatives have been taken; use of materials like Cement Precast or Profiled Sheets to cover plant buildings, Cement Concrete Roads were replaced by Paver Blocks, and only Waste Derived Construction material like Bricks, AAC Blocks, etc. were used.

Other project works at Udaipur and Odisha are also running as per schedule. Engineers at JK Lakshmi Cement, achieved yet another milestone by taking the newly commissioned Durg plant to its targeted capacity within a month's time. Within no time the mill capacity was also increased by around 20% on sustainable basis.

LOWERING CARBON FOOTPRINTS

Concerned with the deteriorating environment, the Company has started giving special emphasis on reducing carbon footprints. To minimise carbon footprints, the Surat unit was constructed using only the Waste Derived Construction Material like fly ash bricks/paver block, AAC Blocks, etc. Similarly, to meet out the electricity requirement of the school (within factory premises), organisation has decided to resort on clean & renewable energy source i.e. rooftop solar panel system. This system will reduce 25 Tons of carbon footprints per year.

ENHANCING EFFICIENCY THROUGH INNOVATIVE MEASURES

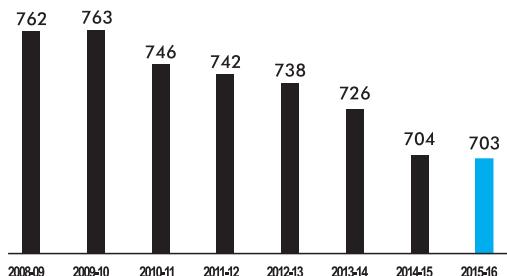

Enthusiastic team of engineers at Kalol have increased their plant capacity by 20% at marginal expenditure.

Along with increasing capacity, Kalol team also developed fully automatic unmanned weighbridge, auto truck loader & automatic bag placer. All these projects with meagre expenditure have increased the loading capacity by around 25%. Jharli plant also increased the capacity of its AAC block manufacturing plant by 25% beyond the rated capacity, with marginal expenditure.

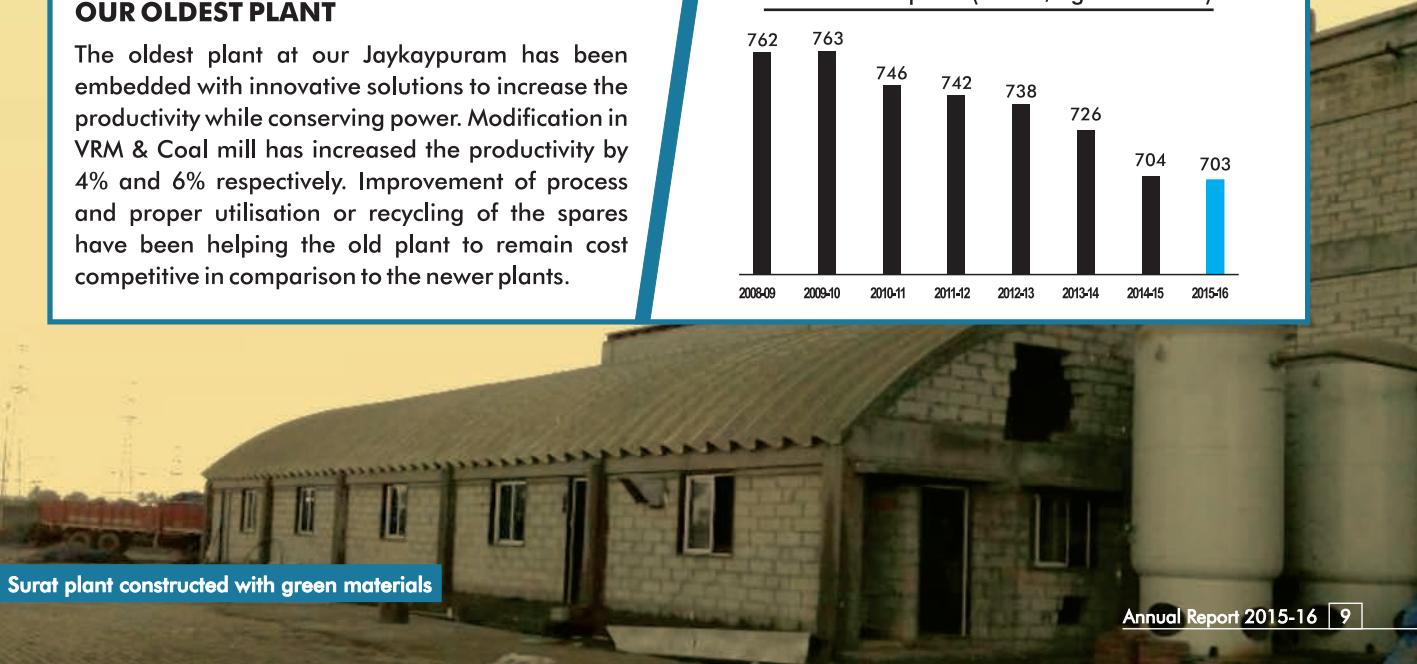

IMPROVING OPERATING PARAMETERS AT OUR OLDEST PLANT

The oldest plant at our Jaykaypuram has been embedded with innovative solutions to increase the productivity while conserving power. Modification in VRM & Coal mill has increased the productivity by 4% and 6% respectively. Improvement of process and proper utilisation or recycling of the spares have been helping the old plant to remain cost competitive in comparison to the newer plants.

PLANNING TOWARDS PROSPERITY

We believe financial management is an essential ingredient of business success. It not only helps maximise the value of the firm but also enable firm to supply better product to its customers at competitive prices and provide greater return to investors. Our financial planning for this year has been facilitated among all these functional areas of the firm and generated better outcomes.

FINANCIAL MANAGEMENT

Finance is the life blood of any business organisation and efficient financial management is a key driver to success for any growing business organisation.

Efficient financial management not only means that finances are raised at the lowest possible rates, but also connotes the available treasury corpus is deployed in instruments to get high returns.

Treasury Income Rs. Cr.

The Company has been able to consistently bring down its cost of borrowing over the years. Today company's long term loans are carrying interest rates close to the average base rates of the banks. The treasury funds are judiciously been deployed in tax efficient instruments in a manner that the pre-tax returns from these instruments are higher than the cost of borrowings. During the Financial Year 2015-16, the treasury income was Rs. 52.47 Crore on which the tax out-go was only Rs. 4.26 Crore.

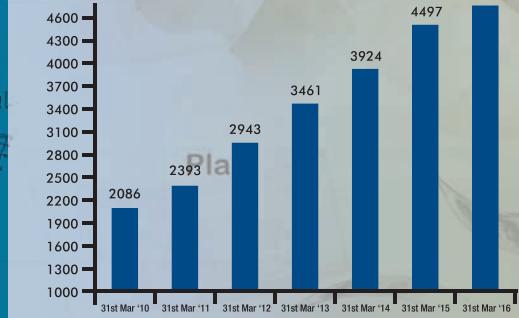

FINANCIAL LEVERAGE

The Company has embarked upon a journey of doubling its cement capacity from 6 Million tonnes in Financial Year 2014 to about 12 Million tonnes (excluding capacity of UCWL) by next Financial Year. This stupendous growth has been funded through a judicious blend of Company's own Internal Accruals and Long-term borrowings without diluting the equity.

The Company having almost completed its journey of doubling the capacity to 12 Million tonnes, the Debt-Equity Ratio has peaked to 1.44 times as of March, 2016. Going forward the Company plans to consolidate the financial position and focus on deleveraging the Balance Sheet before embarking on fresh Brownfield expansions.

In this journey of the growth, the Company has created adequate scope for further expanding its capacity from 12 Million tonnes to about 20 Million tonnes over the next 4-5 years primarily through Brownfield expansions within the Company and also in its subsidiary company.

Fixed Assets Rs. Cr.

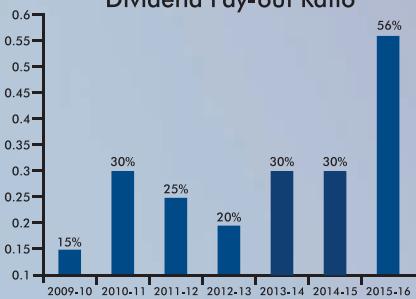

SHAREHOLDERS WEALTH MAXIMISATION

Maximisation of Shareholders' Wealth has been one of the focused agenda of the Company. Over the years, the Returns to the Shareholders as measured by Total Shareholders Return (TSR) has been continuously growing through consistently high dividend payout as also Capital Market Appreciation. The Market Cap of the Company has grown by over 3.50 times from Rs. 1000 Crore Market Cap in July, 2013 to over Rs. 4500 Crore by July, 2016.

Dividend Pay-out Ratio

Cement Capacity (Million Tonnes)

COST COMPETITIVENESS

The Company's operating parameters in terms of Power & Fuel consumption continues to be one of the best in the industry. Even at the Greenfield Cement Plant set up by the Company at Durg in Chhattisgarh, the Company has been able to match efficiency parameters within the first full year of its operation. The capacity utilisation of the Company continues to be consistently better than the industry average as also than that of the other players operating in our marketing zones.

CUSTOMER FIRST. TODAY, TOMORROW, ALWAYS

In a country where customers are becoming increasingly discerning, loyal customers are the biggest asset of an organisation. To reach them in every possible way, satisfy them with superior product & services, gather their valuable feedback and take every step for retaining them is our philosophy. Our future readiness stems from our customer centric culture.

CREATING CUSTOMER DELIGHT: PRODUCT PORTFOLIO EXPANSION

After the successful launch of JK Lakshmi PRO+, we raised the bar by launching a premium offering - JK LAKSHMI PLATINUM Portland Slag Cement with 10+ benefits. Positioned as "Platinum. Premium. Priceless.", product is nothing but an outcome of our obsession to provide superior and quality products.

In our endeavour to be a complete building solutions provider, we introduced a host of value added products in our range like Dry Mix Mortar and a new variant of one coat gypsum plaster (GypGold). We pioneered the concept of machine sprayable gypsum plaster in India. Under JK Lakshmi Powermix, a ready-mix concrete, we introduced few grades of special value added concrete like Self Compacting Concrete, Light Weight Concrete and Fibre Mix Concrete. These new-age products are result of our consistent efforts to cater to the smarter construction requisites of our customers.

CHARTERING THE NEW TERRITORIES: GEOGRAPHICAL EXPANSION

It is indeed an achievement for which team JK Lakshmi is feeling proud that within a year of commissioning of the Durg Plant, we not only have spread our reach in the Eastern markets like Chhattisgarh, Odisha, West Bengal, Vidarbha, Bihar & Jharkhand but also have achieved 100% capacity utilisation by the last quarter. Chhattisgarh particularly is a success story, where JK Lakshmi PRO+ got established as second best brand with premium brand image in a short span of time. A combination of innovative branding, consumer engagement practices and proactive service to trade customers made this possible.

Footprints of JK Lakshmi PRO+ were also expanded in our existing markets of Rajasthan, Gujarat & M.P. and within a matter of no time, it has gained both mind and market share in premium cement brand category.

GOING CLOSER TO CUSTOMERS: CHANNEL EXPANSION

We constantly aim to adapt innovative measures to ensure ease of access for our customers. E-commerce medium has proven to be one of the most effective ways to reach out to potential customers. Keeping pace with changing times, JK Lakshmi Cement tied up with Snapdeal and became the first in the industry to foray in online selling of a multiple basket of products across various geographical states while others were restricted to particular state or city.

In addition to this, customer service methods were revolutionised by Techno-marketing team which has spared no efforts in reaching out to end users. With the help of road shows and large scale on-site demonstration, Team JK Lakshmi Cement, is able to educate the end users about the proven superior benefits over competitors. These drives resulted in immediate site conversions, deeper penetration and superior brand awareness.

THE CARING CULTURE FOR CONSTRUCTING THE FUTURE

Our core HR values permeate every nook & corner of the Company. At every level of the organisation we promote care, trust, teamwork, mutuality and meritocracy. Indeed, these values form "the caring culture" within our organisation. Our sustained focus and best-of-the class HR practices have strengthened a culture, in which caring for each other is inbuilt.

AN ORGANISATION ITSELF IS A PLACE OF PERSONNEL GROWTH

We recognise that over the course of employment, it is important to provide employees with ongoing education through various types of training be it in-bound or out-bound.

Many Out-bound Training programs were organised for better bonding among the officers. These programs comprised of psychometric assessments like Thematics Apperception Test, Situation Reaction Test, Word Association Test, Behavioural Event Interview, Case Study, Two Minute Speech & Team Building Games.

Along with this, participation in quality circles too brought laurels. Employees from various plants have won gold medals and par excellent awards at national quality levels.

EQUIPPING TODAY'S EXECUTIVES TO BECOME FUTURE LEADERS

Specific employee training requirements are identified and the building process of employees' competencies begins, to help them increase their knowledge and heighten their awareness of the managerial skills. We have implemented fast track process of identifying internal talent through specific programs like SPARK for plants and SAMEEKSHA for marketing, where lower level managers are identified from various departments and selected for a training & examination to empower them grow to senior levels. The participants were facilitated for being a part of the initiative which comprised of developmental inputs followed by in house assessment of the participants.

ENVISIONING HAPPY SOCIETIES

An organisation breathes in a society and draws on societal resources. It is our belief that an organisation should not let any criteria dwarf its social responsibility and instead create a multiplier impact on the society it dwells.

EMPOWERING RIGHT TO BE HEALTHY

A healthy mother bears a healthy child. The organisation contributed to a great extent for mother and newborn's health through its initiative - Naya Saverा. It is an integrated family welfare program which has brought tremendous results this year as well. Mother/infant mortality rate has substantially decreased, the institutional deliveries and full immunisation of mother and child also kept a good pace. This continued to be in 35 villages and 55 hamlets covering population of around 1 lakh.

The organisation initiated around 700 health camps covering around 15,000 number of people. In addition to this, more than 5000 camps focusing diabetes awareness, cardiac care, gynaecological problems, eye care, blood donation, AIDS awareness and care for differently-abled students, were organised. These camps have benefited more than 94,000 patients.

As there is no dearth of health issues in our country, JK Lakshmi Cement too has no dearth of

effective solutions. For the well being of people, the company undertook more than 30 HIV/AIDS awareness workshops covering 1622 people. Also, a dental check-up for school children in 10 government schools benefitting 3500 students was undertaken last year.

Recognising the deep rooted issues crawling in the villages causing health hazards, the organisation provided 1100 smokeless cooking stoves at subsidised rates to villagers near Jaykaypuram, Kalol & Jharli plants replacing the traditional dangerous mouth blowing Chulhas.

For the healthcare of girls, the organisation primarily took to its call for the maintenance of toilets in schools. More than 500 IHHLs were constructed this year and 21 girls toilet equipped with sanitary napkin vending machine & incinerator in govt. schools were renovated & constructed. Going forward with the aim of girl's health care, Sanitary Napkin Machines have been installed in nearby villages at Durg, Jharli & Jaykaypuram Plant.

EDUCATION, BUILDING BLOCKS OF FUTURE NATION

The organisation recognises education as one of the building blocks of any nation and consider it as its priority. Young minds contribute to the nation's development and we believe in nurturing them. Realising this, a number of initiatives have been undertaken like 43 Adult Literacy centres were started with 885 admissions of nearby villagers. We have provided supplementary teachers in govt. schools and assisted over 120 dropout students last year to get re-admissions in various govt. schools. We also helped tribal students in getting hostel accommodation for pursuing higher studies.

SUSTAINABLE LIVELIHOOD FOR SUSTAINABLE TOMORROWS

We believe in actively contributing to the social and economic development of the communities in which we operate. We aim to equip each member of these communities to be self-sustained and get a livelihood. In line with this, 263 females were provided with sewing training and 180 SHG were formed & company helped them to generate additional income by providing them training in the areas like stitching & embroidery, broom, paper plate/dona, cushion making, etc.

EQUIPPING THE MASONS WITH SKILLSET

Masons are integral part of our business and therefore we ensure their well-being and other requisites. We initiated 126 Medical health check-up camps for masons & their spouses benefiting over 5000 people covering 11 states. We encouraged masons for individual entrepreneurship, and organised Mason Skill Upgradation Training conducted at Chhattisgarh, Odisha and Rajasthan through renowned institutions specialising in this area, benefiting more than 500 Masons.

DIVIDEND

Your Directors are pleased to recommend a dividend of ₹ 0.25 per Equity Share of ₹ 5 each (5%) for the year ended 31st March 2016. The Dividend outgo would amount to ₹ 3.54 crores (inclusive of Dividend Distribution Tax of ₹ 0.60 crores). The Dividend subject to approval at the AGM on 7th September 2016 will be paid to those Shareholders whose names are borne on the Register of Members of the Company as on the date of book closure for the AGM.

PERFORMANCE

The Company's performance during the Financial Year 2015-16 has been satisfactory in terms of better capacity utilization at 82% as against the Industry average of 66%.

The Company has been able to increase its Production and Sales by 26% and 23% respectively. The Company continues to be one of the least cost producers and has laid great emphasis on cost optimization at all levels. Its fuel consumption was at 76 Kg/Tonne in FY 2015-16 as against 81 Kg/Tonne in the previous FY 2014-15.

The Durg Plant has performed satisfactorily in the very first full year of its operations and achieved 104% capacity utilization in the last quarter of FY 2015-16. Company has become a third largest player in Chhattisgarh market in a short span of time.

During the year, the Company witnessed a sharp fall in the cement prices in most of its markets. Consequently, its sales realisation too registered a steep decline. As a result, despite a good volume growth of 23%, turnover of the Company rose by only 16% from ₹ 2596.69 Crore to ₹ 2999.63 Crore. The Company's Operating Profit was lower at ₹ 330.41 Crore as against ₹ 377.66 Crore in the previous year. Besides substantially lower prices, the Company's profitability got impacted due to the additional burden of interest and depreciation relating to commissioning of the first phase of the integrated Greenfield Cement plant at Durg. After recognizing Deferred Tax Assets, the Company's Net Profit stood at ₹ 6.28 Crore as against ₹ 95.60 Crore achieved in FY 2014-15.

PROGRESS OF THE PROJECTS & EXPANSIONS

Durg plant, commissioned last year, has been fully operational. Work of split grinding unit at Surat got completed in March 2016 and trials are going on. This will add 1.35 million tonnes to the total capacity of your Company. Work at Orissa Grinding Unit is also progressing gradually. Project related to setting up clinkerization facility at the Company's Subsidiary, Udaipur Cement Works Ltd. (UCWL) is expected to be completed by Q4 of FY 2016-17. Company's total capacity which stood at 8.6 million tonnes as at end of March 2016 is expected to grow to about 11 million tonnes besides 1.6 million tonnes of UCWL by March 2017.

INDUSTRY SCENARIO

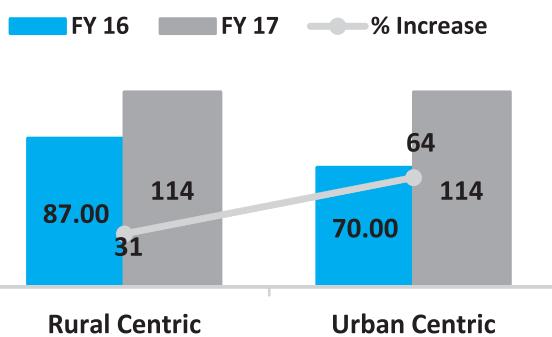

The Cement Industry, currently having a capacity of more than 400 million tonnes per annum is gradually moving towards consolidation. The leading 4 players on all India basis as well as on regional basis account for about 50% of the total capacity as also the market share. Cement business being capital intensive with longer gestation period and investment cycles, consolidation helps the industry to meet Nation's emerging needs in orderly fashion and in time.

We expect that the new capacity additions shall be considerably lower, may be, less than 5% per annum, over the next few years thereby narrowing the existing large supply-demand imbalance.

OPPORTUNITIES

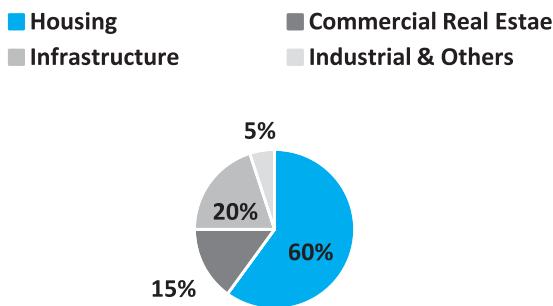

In the year 2015, India for the first time in its recent history, surpassed China to emerge as top FDI destination in the world. It attracted more than 40 Billion US \$ of investment during April to December 2015. With the Indian economy growing at current pace and with other favorable micro indicators such as inflation, budget & trade deficit, exchange & interest rates, growth of non-food credit etc., there are huge expectations of significant turn-around in the industry fortunes in FY 2016-17.

Rural Urban Budget Spilt – in Rs.'000 Crores and % Increase over FY 16

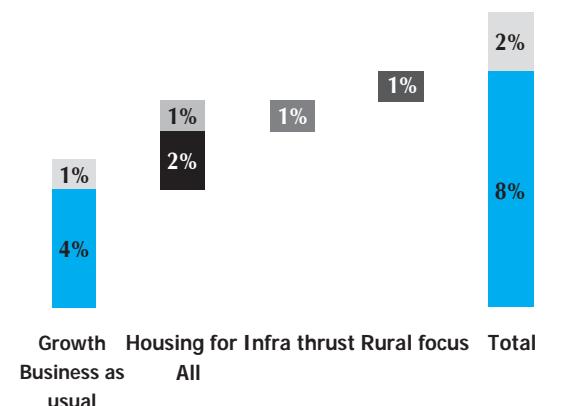

The Prime Minister in the recent past has laid considerable emphasis on the schemes and policies such as 'Smart Cities', 'Swachh Bharat', 'AMRUT' and most ambitiously 'Housing for All by 2022'. These schemes when fully implemented are expected to revive the cement consumption all over the country. Further, increase of 46% in the budget allocations for infrastructure segment in the Union Budget for FY 17 and the emphasis being laid by the present Government on the Highway Projects and Concrete Roads Construction augurs well for cement consumption in all 4 key segments viz. Housing, Infrastructure, Commercial Real Estate and Industry, on a sustainable basis.

% Share in Demand by consuming sector

These initiatives will help to absorb the excess capacity to the extent of 40 to 50% in certain regions and above 25% for the country on the whole.

Expected Cement Growth Rate for FY 17 (%)

The last quarter of FY 2015-16 has seen some upsurge in cement demand in certain pockets of the country with corresponding improvement in prices and margins. With the expectations of overall GDP growth of above 7.5%, the Industry is hopeful of seeing at least 8% growth in cement demand in the FY 2016-17 with a possible 2% upside on account of the policies and schemes announced by the Government.

THREATS & CHALLENGES

The continued imbalance in the cement demand and supply has led to considerably lower sales realization. Fresh increase in the cost by way of mandatory contribution of 30% of royalty on limestone to District Mineral Foundation (DMF) and the rising cost of power, has resulted in substantial shrinking of EBITDA margins. The capital cost of the new capacities additions, is also expected to go up due to higher cost of acquisition of new mining leases and land. With current capital cost of approx. ₹ 750 Crores required to create a fresh 1 million tonne per annum cement capacity, the industry needs considerably higher EBITDA margins for a sustained growth of the industry.

STRATEGIC IMPERATIVES & OUTLOOK

With the industry experiencing a certain structural changes in terms of consolidation, cost economics, demand patterns and increasing barriers for new capacity additions, etc., the strategy can no longer be singularly focused on investing to create more capacities for growth. It is imperative for the Company to adopt a short term, a medium term and a long term vision to remain relevant and competitive in the industry.

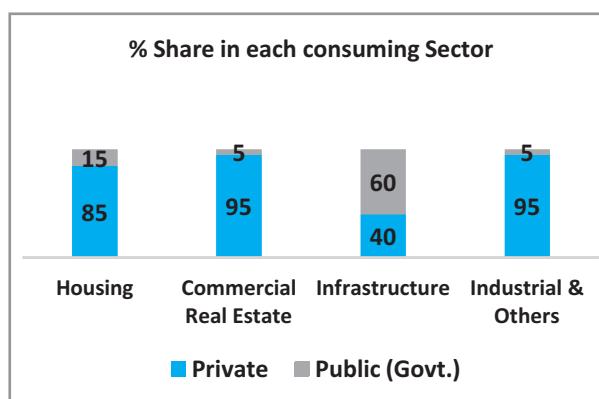

The Company having already made substantial investments in building capacities, the immediate short term focus now shall be on meaningful absorption of such capacities and

further improving all round operational efficiencies. With the expected improvement in the cement prices, it is hoped that the Company will achieve better operating margins and profitability on a sustainable basis over the next few years.

In the medium term, the Company shall strive to consolidate on market share and to further raise brand positioning through introduction of premium and differentiated value added products, among others.

Our premium Cement Brand Pro+, which was introduced in October 2014 in existing market, has been well accepted and achieved stable and sustainable volumes. Another premium Cement brand, namely, "Platinum" was launched in the East last year which has also evoked satisfactory response.

Keeping in mind changing construction practices, efforts are being made to create more value added products and services which can increase the pace of construction and improve the quality of construction.

Your directors are fairly optimistic about the future of the industry in general and the Company in particular. The cement demand is highly dependent on private consumption. The success of 'Make in India', 'Skill India', 'Stand up India' is likely to be largely driven by private investments and entrepreneurship. India due to its vast pool of young population is in unique position to harvest much talked about demographic dividend. On the whole, with the silver linings already on the horizon, the hopes of a brighter future are far stronger than the gloom at the dawn.

HUMAN RESOURCES

Our sustained focus and best-of-the class HR practices have strengthened a culture, where commitment towards results are very high. The contributions of our human capital during the year were amply demonstrated through numerous efficiency parameters and effective outcomes besides continued accomplishments in soft metrics such as motivation, satisfaction and engagement scores. Notable achievements were made in capacity utilization and cost

optimization. Stabilisation of the Company's Greenfield cement plant at Durg in a record time as compared to industry standards is a manifestation of our people's high level of ownership and personal motivation at work.

In the area of marketing excellence, against an industry average growth of 2% in our existing market, the Company grew by 5% in cement sales for the year under report. Our in-house R&D has helped to achieve edge in market through initiation, development and production of premium cement and value added products. Our empowered human capital has played a significant role in all above achievements. Utilizing the in-house talents, nurturing and developing expertise over the years through sustained processes and systems with emphasis on learning, development, competency assessments, improvement projects, cross-functional teams, coaching and other HR interventions have proven to be real differentiators.

NEW MARKETS

It is a matter of great pleasure that the planned strategy of your Company to enter into Eastern Market at a premium positioning has worked well and within a year, it has reached to top 3 positions in terms of volumes in the home market. A very strong dealer network has been developed and the same is expanding. It is heartening that the Company in its very first year of operations has bagged the "Most Trusted Brand Award" from Hon'ble Chief Minister of Chattishgarh.

Independent Auditor's Report

To the Members of JK LAKSHMI CEMENT LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **JK LAKSHMI CEMENT LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us during the course of audit, we give in the Annexure 'A' a statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) As required by section 143(3)(i) of the Companies Act, 2013, and based on the checking of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, our separate report with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls is as per Annexure 'B'.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – refer Note no. 32, 33, 34 & 37 to the standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivatives contracts.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF JK LAKSHMI CEMENT LIMITED

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **JK LAKSHMI CEMENT LIMITED** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain

reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as

at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1

Significant Accounting Policies 31st March, 2016

- 1.1. The financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention (except for certain fixed assets which were revalued) on the accrual basis. GAAP comprises mandatory accounting standards specified under section 133 of the Companies Act 2013 (the Act) read with Rule 7 of the Companies (Accounts) Rule 2014 and the relevant provisions of the Act. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- 1.2. Fixed Assets are stated at cost adjusted by revaluation of certain fixed assets.
- 1.3. Expenditure during construction/erection period is included under Capital Work-in-Progress and is allocated to the respective fixed assets on completion of construction/erection.
- 1.4. Foreign currency transactions are recorded at exchange rates prevailing on the date of transaction. Monetary Assets and liabilities related to foreign currency transactions are stated at exchange rate prevailing at the end of the year and exchange difference in respect thereof is charged to Statement of Profit & Loss. Premium in respect of forward contracts is recognized over the life of the contract.
- 1.5. Long term investments are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of the management. The current investments are stated at lower of cost and quoted / fair value computed category wise.
- 1.6. Inventories are valued at lower of cost and net realizable value (except scrap/ waste which are valued at net realizable value). The cost is computed on weighted average basis. Finished Goods and Process Stock include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- 1.7. Revenue is recognized when significant risk and reward of ownership have been passed on to the Customer. Export incentives, Duty drawbacks and other benefits are recognized in the Statement of Profit and Loss and other revenue incentives are netted from respective head. Project subsidy is credited to Capital Reserve.
- 1.8. Revenue expenditure on Research and Development is charged to Statement of Profit and Loss and capital expenditure is added to Fixed Assets.
- 1.9. Borrowing cost is charged to Statement of Profit and Loss except cost of borrowing for acquisition of qualifying assets which is capitalized till the date of commercial use of the asset.
- 1.10. (i) Depreciation on Buildings, Plant & Machinery {except for Power Plants, Split Grinding Units and Ready Mix Concrete Plants (RMC)} and Railway Siding is provided as per Straight Line Method (SLM), as per useful life specified in Schedule II to the Act (Schedule II). Depreciation on Captive Power Plants, Split Grinding units & Other Assets is provided on Written Down Value (WDV) method as per the said Schedule. Depreciation on Aircraft and RMC is provided considering estimated useful life of 6 years on SLM basis. Depreciation on impaired assets is provided on the basis of their residual useful life.
(ii) Leasehold Land is being amortized over the lease period.

- 1.11. The carrying amounts of Assets are reviewed at each Balance Sheet date to assess impairment, if any, based on internal / external factors. An impairment loss is recognised, as an expense in the Statement of Profit & Loss, wherever the carrying amount of the Asset exceeds its recoverable amount. The impairment loss recognised in prior accounting period is reversed, if there has been an improvement in recoverable amount in subsequent years.
- 1.12. Intangible Assets are being recognized if the future economic benefits attributable to the Assets are expected to flow to the Company and cost of the Asset can be measured reliably. The same are being amortised over the expected duration of benefits.
- 1.13. Current Tax is the amount of tax payable on the estimated taxable income for the current year as per the provisions of Income Tax Act, 1961. Deferred Tax Assets and Liabilities are recognized in respect of current year and prospective years. Deferred Tax Assets is recognized on the basis of reasonable/virtual certainty that sufficient future taxable income will be available against which the same can be realized.

1.14. Employee Benefits:

(i) Defined Contribution Plan

Contributions to the Employees' Regional Provident Fund, Superannuation Fund and Pension Fund are recognized as Defined Contribution Plan and charged as expenses in the year in which the employees render the services.

(ii) Defined Benefit Plan

Retirement benefits in the form of Gratuity and Leave Encashment are considered as Defined Benefit Plan and determined on actuarial valuation, using the Projected Unit Credit Method, as at the date of the Balance Sheet. Actuarial Gains / Losses, if any, are immediately recognized in the Statement of Profit and Loss.

The Provident Fund Contribution other than Employees' Regional Provident Fund, is made to Trust administered by the Trustees. The interest payable on Fund to the members of the Trust shall not be lower than the statutory rate declared by the Central Government under Employees' Provident Fund and Miscellaneous Provision Act, 1952. Shortfall, if any, shall be made good by the Company.

(iii) Short Term Employee Benefits

Short term compensated absences are provided based on past experience of the leave availed.

- 1.15. Provision in respect of present obligation arising out of past events are made in Accounts when reliable estimates can be made of the amount of the obligation. Contingent Liabilities are not recognized but are disclosed by way of Notes to Accounts. Contingent Assets are not recognized or disclosed in Financial Statements.

34. Contingent liability for non-use of jute bags for Cement packing upto 30th June, 1997, as per Jute Packaging Materials (Compulsory use of Packaging Commodities) Act, 1987 is not ascertained and the matter is subjudice. The Government has excluded Cement Industry from application of the said Order from 1st July, 1997.

Annual Report 2015-16

35. The Company has componentized its fixed assets and separately assessed the life of the major components, forming part of the main assets. Consequently, the depreciation charge for the year is higher by ₹ 3.14 crore.
36. Maximum balance due for Commercial Paper issued during the year was ₹ 270 crore and the year end balance is ₹ 155 crore (Previous year Maximum balance ₹ 120 crore and at the year end ₹ 50 crore).
37. Rajasthan Government had granted the benefit of 75% exemption to the Company for a period of 9 years vide its notification dated 28.4.2003 on the RST and CST payable u/s 15 of Rajasthan Sales Tax Act 1994. With the enactment of VAT Act, 2006 the benefit of exemption for the balance period was converted into deferment w.e.f. 1st April 2006. During the FY 2014-15 the Company had received Demand Notices of ₹ 225.25 crore (previous year ₹ 222.54 crore) consisting of Sales Tax Exemption of ₹ 49.19 crore availed upto March 2006, balance of Sales Tax Deferment of ₹ 56.57 crore from April 2006 to May 2009 and interest of ₹ 119.49 crore thereon. The Demand had arisen consequent to Supreme Court's adverse judgment in case of another cement company.

In order to avoid any coercive measure against the Company by the Department, the Company had paid under protest the full principal demand, toward Sales Tax Exemption and Sales Tax Deferment of ₹ 105.77 crore during the Previous Year, pending judgment from the judicial authorities.

Based on the fact that the grounds under which the Company has been granted this benefit is different from the grounds on which the other cement company availed the benefit and as also based on the opinion of senior legal counsels, the Company believes it has sufficient strong ground eventually to get favorable judgment in its favour.

However out of abundant caution the Company had made provision and shown as Exceptional Item for ₹ 49.19 crore during Previous FY against the Sales Tax Exemption and interest of ₹ 119.49 crore is being considered as a contingent liability.

38. a) Sales include own consumption at cost ₹ 1.76 crore (Previous years ₹ 0.94 crore).
b) Consumption of Stores and Spares is net of scrap sale ₹ 0.90 crore (Previous year ₹ 5.69 crore).

Notification issued in Sep 15 with retrospective effect from January 2015 and ₹ 1.00 crore cement wages award for previous year (previous year ₹ 49.19 crore (refer note 37) towards provision for Sales Tax Exemption ₹ 12.61 crore being one time expenditure incurred on the launch of new Product & setting up of new Marketing Network in Eastern Market and ₹ 1.45 crore being claims against fire loss due to fire & arson at Durg in 2013, not accepted by the insurer).
40. a) Other-Non-Operating Income includes receipts from aircraft flying ₹ 3.78 crore, (previous year ₹ 2.34 crore) net of expenses of ₹ 4.95 crore (previous year ₹ 5.94 crore).
b) Miscellaneous expenses include contribution ₹ Nil (Previous year to Satya Electrol Trust ₹ 1.10 crore) for political purpose, CSR expenses amounting to ₹ 3.12 crore (previous year ₹ 3.36 crore) and Foreign exchange fluctuation of loss (net) ₹ 1.64 crore (previous year loss (net) ₹ 2.38 crore).
41. a) Forward contracts of ₹ 72.57 crore – USD 10.47 Mn (Previous year ₹ 132.52 crore – USD 20.71 Mn,.) taken for the purpose of hedging of payables and ₹ 13.24 crore -USD 1.98 Mn (previous year Nil) against letter of credit.
b) Un-hedged ₹ 1.39 crore –Euro 0.18 Mn, (previous year ₹ 5.58 crore – USD 0.09 Mn) against letter of credit outstanding as at 31st March, 2016.

42. Based on information available with the Company in respect of MSME ('The Micro Small & Medium Enterprises Development Act 2006'). The details are as under :
- i) Principal and Interest amount due and remaining unpaid as at 31st March 2016 –Nil (Previous year Nil).
 - ii) Interest paid in terms of section 16 of the MSME Act during the year - Nil (Previous year - Nil).
 - iii) The amount of Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified – Nil (Previous year - Nil).
 - iv) Payment made beyond the appointed day during the year - Nil (Previous year - Nil).
 - v) Interest Accrued and unpaid as at 31st March 2016- Nil (Previous year - Nil).
43. The Company has only one business segment namely Cementitious Materials.
44. Other advances include an amount of ₹ 30.00 crore (including ₹ 3.33 crore receivable within one year) (Previous year ₹ 33.33 crore) (Maximum balance due ₹ 33.33 crore, previous year ₹ 36.67 crore) due from BACL and arising out of an earlier Scheme of Reconstruction, Arrangement and Demerger sanctioned by Hon'ble High Courts of Rajasthan (Jodhpur) and Delhi.
45. The Company is implementing the Revival & Rehabilitation Scheme of Udaipur Cement Works Limited (UCWL) after its approval by BIFR in 2012. With the induction of funds of ₹ 149.11 Crore upto 31st March, 2015 by the Company in UCWL, the Net Worth of UCWL has become positive. UCWL has since come out of the purview of BIFR in January, 2016.
- The Company has given Corporate Guarantee to the Trustees of NCDs of ₹ 475 Crore issued on private placement basis by the wholly owned Subsidiary Hansdeep Industries & Trading Company Limited (HITCL). The proceeds of these NCDs issued are being utilized by HITCL for part financing UCWL's Revival & Rehabilitation Project.
46. During the year the Company has received subsidy of ₹ 0.15 crore (Previous year ₹ 0.30 crore) in terms of State Investment Promotion Scheme, the same is netted from interest.
47. Pending assessment of actual damage to Plant & Machinery and Other Equipments due to incidence of fire and arson at Durg Cement Plant in the year 2013-14, the Company had filed provisional claim of ₹ 83.95 Crore with the Insurance Company.
 The claim has since been finally settled in April, 2016 at ₹ 72.12 Crore, with equipment worth ₹ 10.38 Crore found usable & claim of ₹ 1.45 Crore not accepted by Insurance Company (already charged as Exceptional Item in Previous Year).
48. Disclosure pursuant to Clause 32 of the Listing Agreement :
 (Loans / Advances to employees as per Company's policy are not considered.)
49. Some of the Balances of debtors and creditors are in process of confirmation.
50. During the Current Financial Year, the Company availed Short Term Bridge Loans to part finance ongoing Projects pending disbursement/tie-up of long term loans from Banks/Markets.

Independent Auditors' Report

To the Members of JK LAKSHMI CEMENT LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of **JK LAKSHMI CEMENT LIMITED** (herein after referred to as "the Holding Company") and its subsidiaries ("**the Holding Company & its subsidiaries**" together referred as "**the Group**") and its associate, comprising of the Consolidated Balance Sheet as at 31st March 2016, the Consolidated statement of profit and loss, the Consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (herein after referred as "the Act") that give a true and fair view of the Consolidated Financial position, Consolidated Financial performance and Consolidated cash flows of the Group and its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group and its Associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its Associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account

the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their report referred to in the other matter below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group, as at 31 March 2016, and their Consolidated Profit and their Consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the Financial Statements of the Two subsidiaries namely, Hansdeep Industries and Trading Company Limited and Udaipur Cement Works Limited; whose financial statements reflect total assets of ₹ 878.48 Crore as at 31st March, 2016, total revenues of ₹ 146.36 Crore and net cash inflows of ₹ 17.47 Crore for the year

ended on that date, as considered in the Consolidated Financial Statements. These Financial Statements have been audited by other auditors, whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of the other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The consolidated balance sheet, the Consolidated statement of profit and loss, and the Consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards Specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31

March 2016 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies and associate company incorporated in India, none of the Directors of the Group and its Associate incorporated in India is disqualified as on 31 March 2016 from being appointed as a Director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group (Holding and Subsidiary Companies incorporated in India) the operating effectiveness of such controls, refer to our separate report in "Annexure - A"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on the Consolidated financial position of the Group and its Associate- Refer Note 33,34,35 and 37 to the Consolidated Financial Statements.
 - ii. Provision has been made in the Consolidated Financial Statement, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company and its subsidiaries companies, Associate Company incorporated in India.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of **JK LAKSHMI CEMENT LIMITED** ("the Holding Company") and its subsidiaries (**the Holding Company and its subsidiaries** (incorporated in India) together referred to as "**the Group**") which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by

the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

We did not audit the financial statements of the two subsidiaries namely, Udaipur Cement Works Limited and Hansdeep Industries and Trading Company Limited; whose financial statements have been audited by other auditors, whose reports have been furnished to us by the Management and our opinion, in respect of these subsidiaries under sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries as at 31st March 2016, is based solely on the report of the other auditors.

Meaning of Internal Financial Controls Over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles,

and that receipts and expenditures of the companies are being made only in accordance with authorizations of management and directors of the Group (Holding Company and its subsidiary companies, which are companies incorporated in India); and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTE – 1

Principles on Consolidation

- 1.1. The Accounts have been prepared to comply with the requirements of Accounting Standard – 21 and 23 to include all items.
- 1.2. a) The Consolidated Financial Statements comprises of audited Financial statements of JK Lakshmi Cement Limited (Parent Company) and the following as on 31.03.2016:

Name	Proportion of ownership interest	Financial statements as on	For the period
Subsidiaries:			
Hansdeep Industries and Trading Company Ltd. (HITCL)	100%	31/03/2016	12 months
Udaipur Cement Works Ltd. (UCWL)	72.45%	31/03/2016	12 months
Associates:			
Dwarkesh Energy Limited (DEL)	35.00%	31.03.2016	12 months

- b) The Consolidated Financial Statements have been prepared based on a line-by-line consolidation using uniform accounting policies for like transactions and other events in similar circumstances. The effects of intra group transactions are eliminated in consolidation.
- c) In case of associates, where Company holds directly or indirectly through subsidiaries 20% or more equity or / and exercises significant influence, investments are accounted for by using equity method in accordance with Accounting Standard (AS) 23 – “Accounting for Investments in Associates in Consolidated Financial Statements”.
- d) Post acquisition, the Company accounts for its share in the change in net assets of the associate (after eliminating unrealized profits and losses resulting from transactions between the Company and its Associate to the extent of its share) through its Statement of Profit and Loss in respect of the change attributable to the associates’ Statement of Profit and Loss and through its reserves for the balance.
- e) The difference between the cost of investment and share of net assets at the time of acquisition of shares in the subsidiaries and associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.
- f) The Accounting policies of the parent Company, its subsidiary and associate are largely similar.
- g) Significant Accounting policies and notes accompanying to financial statements of the Company and its subsidiaries are set out in their respective financial statements.

@ Excludes show cause Notices of ₹ 98.60 crore (Previous year-Nil)

34. In respect of certain disallowances and additions made by the Income Tax Authorities, Appeals are pending before the Appellate Authorities and adjustment, if any, will be made after the same are finally settled.
35. Contingent liability for non-use of jute bags for Cement packing upto 30th June, 1997, as per Jute Packaging Materials (Compulsory use of Packaging Commodities) Act, 1987 is not ascertained and the matter is subjudice. The Government has excluded Cement Industry from application of the said Order from 1st July, 1997.
36. The Company has componentized its fixed assets and separately assessed the life of major components, forming the part of main assets. Consequently, the depreciation charge for the year is higher by ₹ 3.14 crore.
37. Rajasthan Government had granted the benefit of 75% exemption to the Company for a period of 9 years vide its notification dated 28.4.2003 on the RST and CST payable u/s 15 of Rajasthan Sales Tax Act 1994. With the enactment of VAT Act, 2006 the benefit of exemption for the balance period was converted into deferment w.e.f. 1st April 2006. During the FY 2014-15 the Company had received Demand Notices of ₹ 225.25 crore (previous year ₹ 222.54 crore) consisting of Sales Tax Exemption of ₹ 49.19 crore availed upto March 2006, balance of Sales Tax Deferment of ₹ 56.57 crore from April 2006 to May 2009 and interest of ₹ 119.49 crore thereon. The Demand had arisen consequent to Supreme Court's adverse judgment in case of another cement company.

In order to avoid any coercive measure against the Company by the Department, the Company had paid under protest the full principal demand, toward Sales Tax Exemption and Sales Tax Deferment of ₹ 105.77 crore during the Previous Year , pending judgment from the judicial authorities.

Based on the fact that the grounds under which the Company has been granted this benefit is different from the grounds on which the other cement company availed the benefit and as also based on the opinion of senior legal counsels, the Company believes it has sufficient strong ground eventually to get favorable judgment in its favour.

However out of abundant caution the Company had made provision and shown as Exceptional Item for ₹ 49.19 crore during Previous FY against the Sales Tax Exemption and interest of ₹ 119.49 crore is being considered as a contingent liability.

38. a) Forward contracts of ₹ 78.85 crore - USD 10.47Mn, Euro 0.87Mn (Previous year ₹ 132.52 crore - USD 20.71Mn) taken for the purpose of hedging of payables and ₹ 13.24 crore - USD 1.98 Mn (previous year Nil) against letter of credit.
- b) Un-hedged ₹ 5.48 crore –Euro 0.73 Mn, (previous year ₹ 5.58 crore - USD 0.09 Mn) against letter of credit outstanding as at 31st March, 2016.
